Hi, everyone. I'm Naoki. Now I'll talk about my work experience last week. I worked at a restaurant. I usually cleaned tables and washed dishes. Look at this picture. They are all cooks. The tallest man opened the restaurant ten years ago. The man holding a bottle is his son. The man putting his hand on my head was very kind and sometimes taught me how to cook. The woman started working at the restaurant last month and talked to me a lot.

(Question) Which person taught Naoki how to cook?

【答】 No.4. ウ
